Dear Terry

On behalf of the McGrath Foundation, thank you for your generous donation. Your valuable contribution will enable us to continue working towards our mission of a breast care nurse for every Australian family experiencing breast cancer and to ensure all young women are breast aware.

As of August 2011, the McGrath Foundation has helped support over 10,000 Australian families experiencing breast cancer, with 63 McGrath Breast Care Nurses working in communities right across Australia. Through the generosity of donors such as yourself, we have also been able to fund our first ever 'flying nurse' position through our friendship with the Royal Flying Doctor Service.

We know we couldn't do what we do without the amazing support of the Australian community, so thank you. We also know we have a long way to go, so we will continue to work tirelessly to achieve our mission of ensuring a breast care nurse to support every Australian family experiencing breast cancer and to increase breast awareness in young women.

As we say at the McGrath Foundation, together, we can make a difference!

Tracy Bevan
Foundation Ambassador and Director
