Dear Mr. Meanwell,

On behalf of the clients, volunteers, staff and board of the Bobby Goldsmith Foundation (BGF), I would like to thank you for your recent contribution of \$100.00. Your generosity directly assists BGF in providing practical, emotional and financial support to over 1,200 men, women and children who live with HIV across NSW – and who continue to need the care and support that BGF has provided for nearly 30 years.

Here's how the generosity of our supporters is making a difference to the lives of our clients right now:

- We currently support over 1,200 active clients who meet with our passionate caseworkers, building relationships, working together and creating unique responses that support health, wellbeing and social inclusion;
- We are offering a brand new health workshop that aims to empower people living with HIV to take control of their health and to re-claim their lives;
- We also now provide access to Anti Retro Viral and other vital medication to over 750 people each and every year – as well as assistance on a range of health and other essential needs.

None of this would have been possible without you. Thank you.

Lastly, if you want to learn more about the work BGF does or have any questions about your contribution, please feel free to contact our Donor Relations Coordinator, Michelle Lesco, via email at michelle.lesco@bgf.org or to call us on 02 9283 8666.

Thank you, once again, for thinking of BGF and for making a difference to the lives of our clients. Your generosity is truly changing lives.

Yours sincerely,

David Riddell
